

ESGE Days 2021

Going virtual. Staying real.

March 25 - 27, 2021

ALSO THIS YEAR WE ARE HAPPY TO SUPPORT THE ESGE DAYS

WE LOOK FORWARD TO AN EXCITING ONLINE EVENT

Visit our virtual booth, discover (new) product highlights and get in touch with us - easily via the integrated online chat.

You can also look forward to the MICRO-TECH Symposium on March 26, 2021 starting from 6:00 pm (CET) in room 4,

with the topic: Optimizing endoscopic submucosal dissection technique and outcome in daily practice - new devices and technical refinements.
